#### Why do our members join the Detroit Puppeteers Guild? Some reasons:

- \* I like puppets, and wanted to have access to other member's puppetry knowledge.
- \* To accompany and join in my family's interests.
- \* To learn more about puppetry, and meet puppeteers.
- \* I want to promote my own puppetry and continue learning
- \* To meet other Puppet People, see performances, and have fun!
- \* I love watching puppet shows!
- \* We produce family shows, and wanted to support puppetry.

Our membership includes novice, intermediate, advanced, and professional puppeteers  
Many members are not puppeteers (not yet anyway!) but are Puppetry Fans!
